YOUNG PROFESSIONALS FORUM 2020

Presentation of the Proceedings

On **December 17, 2020** at **3:00 pm** we will have the pleasure to present the **proceedings** of the first edition of the **Young Professionals Forum** held on July 2, 2020.

Once again, thanks to a digital meeting on Zoom, the members of the scientific committee and the winners of the first edition will be connected, ready to discuss the results of their projects. This will be an opportunity to discover the previews about the next edition of the Young Professionals Forum and much more.

As part of the **Strategic Plan 2019-2022** of the **CCR - Centre for Conservation and Restoration "La Venaria Reale"**, drawn up with the support of the **Compagnia di San Paolo** in line with the multiannual programmes of the Founders and in line with the more detailed programme of action provided in the **2030 Agenda for Sustainable Development Goals (SDGs)**,

the *"Young Professionals Forum. Emerging skills for cultural heritage"*

is the first major international event aimed at increasing skills, comparing professionals in the Cultural Heritage field and opening up to wider and more diversified audiences.

Converted into a completely **digital** and **free event**, due to the health emergency Covid-19, the Forum has since the beginning registered the membership as a partner of some of the most important international institutes (**ICOM, IIC, CNR, ICCROM**) and the **University of Turin**.
